Greetings,

I am pleased to provide the endorsement of the Communications, Energy and Paperworkers Union of Canada (CEP) for this year's United Way Campaign. CEP has always been a strong supporter of the United Way in communities across Canada.

Many activists in our union participate in helping raise funds in order that the United Way can continue to help find solutions and provide critical funding for many of the social services that are critically needed in our society.

Best of luck with this year's campaign. I am sure, as in the past; that CEP members will do their part in supporting this very important fundraising effort.

In solidarity,

Dave Coles
President
