

RETIREE GIVING

United Way
Kingston, Frontenac
Lennox and Addington

Donations from employees in workplaces provide critical programs that help thousands of people right here in our community. It's easy to continue your support.

You can help people in our community by fulfilling your pledge for this year and by continuing to lend your financial support in retirement.

WAYS TO GIVE

Pension Deductions

Check with your workplace. You may be able donate through monthly pension deductions once you are retired.

Monthly Giving

You can conveniently give a monthly gift through **credit card** or **pre-authorized payments**.

One Time Gifts

Cheques, cash or credit cards are accepted.

Gifts of Securities

Gifts of securities may provide you with even greater tax benefits than charitable gifts made in cash.

Bequests

You can continue your tradition of giving by leaving a bequest to the United Way in your will. Through the Endowment Fund, the principal is permanently preserved and the interest supports programs.

Life Insurance

Giftting a Life Insurance policy or naming United Way as a beneficiary of your policy can be an easy and effective way to continue your support.

The Power to Change Lives

"My wife and I have always donated to the United Way KFL&A because we know the donated funds are used in our community. Being a grandparent, I am conscious of the need for children to have a supportive and learning environment, and healthy food from an early age. In my retirement, I have become more aware of the people in need in our community. I encourage you to support these vital programs by volunteering and by making a donation. Through the United Way you make a difference in the lives of so many."
