

Women United

Women United brings together like-minded women who want to use their skills, talents and resources to contribute to their community in a significant way and show their local love. Women United builds on the strong legacy of Women in Leadership in our region.

Women United is an opportunity to:

- Network with women in the community who share interests and are passionate about helping people in need
- Mentor young women leaders as they launch their careers, sharing with them the opportunity to use philanthropy to impact issues that matter to them personally
- Know more about the difference being made in the lives of thousands of people right here – meeting immediate needs, and addressing root causes of issues like youth homelessness, food access, the impact of poverty on families and the issues facing women in our community
- Access special tours, events and volunteer opportunities exclusive to Women United members

How to get involved:

Women Leaders of the Way, those who donate \$1,200+ annually, individually or with a partner, are automatically part of United Way's Women United initiative and will be invited to events that occur throughout the year.

If you are looking for other ways to give back or for more information about how you can be involved contact leadership@unitedwaykfla.ca or visit www.unitedwaykfla.ca/womenunited/

“ Women United members seek change in our community. We aim to help those who could use a hand up have access to the supports they need – whatever they may be. Through donations, advocacy and engagement, our amazing Women United members support the work of United Way KFL&A in providing a wide range of critical services that reach families and individuals right here at home. ”
