INDEPENDENT AUDITOR'S REPORT

To the Members of United Way of KFL&A

Qualified Opinion

We have audited the financial statements of United Way of KFL&A, which comprise:

- the statement of financial position as at December 31, 2025
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies (hereinafter referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the "***Basis for Qualified Opinion***" section of our auditor's report, the accompanying financial statements present fairly, in all material respects, the financial position of United Way of KFL&A as at December 31, 2025, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, United Way of KFL&A derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of United Way of KFL&A.

Therefore, we were not able to determine whether any adjustments might be necessary to:

- the current assets reported in the statements of financial position as at December 31, 2025 and December 31, 2024
- the donations revenue and excess (deficiency) of revenue over expenses reported in the statements of operations for the years ended December 31, 2025 and December 31, 2024
- the unrestricted net assets, at the beginning and end of the year, reported in the statements of changes in net assets for the years ended December 31, 2025 and December 31, 2024
- the excess (deficiency) of revenue over expenses reported in the statements of cash flows for the years ended December 31, 2025 and December 31, 2024

Page 2

Our opinion on the financial statements for the year ended December 31, 2024 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditor’s Responsibilities for the Audit of the Financial Statements**” section of our auditor’s report.

We are independent of United Way of KFL&A in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing United Way of KFL&A’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the United Way of KFL&A or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the United Way of KFL&A’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our qualified opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

Page 3

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our qualified opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of KFL&A's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on United Way of KFL&A's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause United Way of KFL&A to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

UNITED WAY OF KFL&A

Notes to Financial Statements

Year ended December 31, 2025

United Way of KFL&A is a not-for-profit organization incorporated without share capital under the laws of Ontario. United Way of KFL&A's services are provided to the Kingston, Frontenac, Lennox & Addington community. United Way of KFL&A is a registered charity under the Income Tax Act and accordingly is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

United Way of KFL&A's mission is to build and strengthen the community by bringing people and resources together to facilitate change. United Way of KFL&A's vision is a future where people are self-sufficient in a community where individuals live with hope, dignity and a sense of belonging.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of CPA Canada Handbook – Accounting.

(a) Revenue recognition:

United Way of KFL&A follows the deferral method of accounting for contributions which include donations and government grants.

United Way of KFL&A conducts fundraising campaigns for funds each year.

Unrestricted fundraising revenue through either pledge payments or one-time donations are recorded as revenue in the year in which they are received.

Other unrestricted contributions are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Primary sources of other unrestricted contributions recognized as revenue during the year are funds transferred to and from other United Ways, community special events and investment income.

Restricted contributions other than endowment contributions are recognized as revenue in the year in which the related expenses are recognized.

Endowment contributions are recognized as direct increases in endowment net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are recognized. Unrestricted investment income is recognized as revenue when earned. Non-endowed bequest contributions are recognized as revenue in the year in which they are received and the United Way of KFL&A Board of Directors will internally restrict these contributions for the endowment fund.

1. Significant accounting policies (continued):

(b) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to United Way of KFL&A's ability to provide services, its carrying amount is written down to its residual value.

Capital assets are amortized using the following methods and annual rates:

	Rate
Furniture and equipment	20% diminishing balance or 10 years straight-line basis
Telephone system	30% diminishing balance basis
Computer equipment	30% diminishing balance or 2 to 3 years straight-line basis
Computer software	2 years straight-line basis
Leasehold improvements	10 years straight-line basis

The carrying amount of an item of capital assets is tested for recoverability whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized when the asset's carrying amount is not recoverable and exceeds its fair value.

(c) Contributed services:

Volunteers contribute a substantial number of hours each year to assist United Way of KFL&A in carrying out its activities. Because of the difficulty of determining the fair value, contributions of such services are not recognized in the financial statements.

United Way of KFL&A receives gifts in kind from some donors, primarily for fundraising costs of printing, supplies, advertising and public relations. These amounts are excluded from revenue and expenses.

(d) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

UNITED WAY OF KFL&A

Notes to Financial Statements (continued)

Year ended December 31, 2025

1. Significant accounting policies (continued):

(e) Net asset reserves:

(i) Contingency Reserve:

There is a requirement for United Way of KFL&A to be fiscally responsible in its operations, which requires United Way of KFL&A to be in a position to meet outstanding obligations to staff and third parties under any unexpected circumstances. These funds are intended for contingency purposes, to be accessed only after formal approval of United Way of KFL&A's Board of Directors.

(ii) Endowment Reserve:

The endowment reserve is an Eternity Fund managed by the United Way of KFL&A Investment Committee. It is a restricted fund that consists of both externally restricted donations as well as unrestricted donations that have been internally endowed by the Board of Directors. The fund's principal is preserved in accordance with the direction of the respective donor. The income earned from the Eternity Fund is used to support essential programs ensuring donations to the Eternity Fund will benefit future generations.

(iii) Unrestricted Reserve:

The unrestricted reserve is the cumulative surplus/deficit of United Way of KFL&A activities and it is up to the discretion of the United Way of KFL&A Board of Directors regarding the use of these funds.

(iv) Internally restricted reserves:

These reserves are restricted by a motion from the United Way of KFL&A Board of Directors for the purpose of directing the future use of funds. The reserves of the United Way KFL&A that are internally restricted are the Contingency Reserve and the Reserve for Agency Funding, as described in note 7.

(f) Employee future benefits:

United Way of KFL&A has a defined contribution plan providing pension for its employees. The cost of the defined contribution plan is based on the required contributions during each period.

(g) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. United Way of KFL&A has elected to subsequently carry all of its short-term investments and all of its long-term investments, excluding the investment in a joint venture, at fair value.

UNITED WAY OF KFL&A

Notes to Financial Statements (continued)

Year ended December 31, 2025

1. Significant accounting policies (continued):

(g) Financial instruments (continued):

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, United Way of KFL&A determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount United Way of KFL&A expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

2. Long-term investments (continued):

As per the United Way of KFL&A's Investment Policy, short-term needs require short-term solutions, such as cash accounts (extremely liquid cash) or low risk fixed income type of investments. Longer term needs may allow time to invest in equities, which generally have higher short-term risks but better long-term growth potential.

Unrestricted reserves are to be invested in a manner that when needed, the investments can be converted to cash on short-term notice with minimal investment risk.

Restricted reserves may be invested in longer term investments to grow the investment pool by at least the annual rate of inflation.

The Endowment Fund follows the investment strategy as per the IPS of the United Way of KFL&A.

(b) Reserve for Agency Funding:

Using operational surpluses (deficits), the Board of Directors passed a motion to set aside these funds to be spent in the area of United Way partner agencies in the event of a fundraising shortfall.
