Leadership Giving

Gifts from Leaders of the Way (donors who give \$1,200+) are a critical part of our campaign. Leadership giving makes up over fifty percent of the campaign. In 2024, 722 Leaders of the Way donated nearly \$2.4 million. Leadership giving has grown 14 per cent over the past 5 years. Leadership Challenge Grants

In 2024, donors had an opportunity to make even more of an impact thanks to two Challenge Grants. Donors who increased their annual campaign contribution to \$1,200 or made a new \$1,200 gift (\$25/week) had their donation matched thanks to a generous donation from the Britton Smith Foundation. Women who gave at the Leadership level also had their gift matched through the Women United Leadership Challenge Grant, thanks to the generosity of Judith Gould.

Donors who were already “Leaders of the Way” and added at least 10% to their previous year’s gift also saw their increased donation matched.

“ I’m happy to be in a position to make a difference to people who really need it. By offering this Women United Challenge Grant, I hope other like-minded individuals in the community will step up and show their support if they can. Women United is such an inspiring group, working to understand the issues many are facing and working towards making our community a better place for all. I hope you will join me in those efforts and make a difference locally this year. ”

“ We know many within our community are struggling and hopefully this challenge grant encourages those of you who can, to give and support your friends, neighbours, colleagues and fellow community members. Brit always believed in helping others whenever there was a need, a belief he held strongly and instilled in his family members. As Honourary Patron of United Way KFL&A, he believed in the impact of your donations within our community. You have shown your generous nature, compassion and commitment to this community every year the Challenge Grant has been offered and I have the utmost confidence that we will once again rise to the occasion. ”
